

ZORLU ENERJİ STAKEHOLDER ENGAGEMENT POLICY

Purpose:

At Zorlu Energy, we are committed to ensuring transparent, inclusive, and continuous stakeholder engagement across all of our operations. This policy aims to build constructive and long-term relationships with all stakeholders impacted by or involved in our business.

Scope:

The policy applies to Zorlu Energy's own operations as well as its supply chain and covers all relevant corporate processes.

Key Aspects:

- Identifying affected communities and local stakeholders
- Including vulnerable groups in the identification process
- Ensuring engagement strategies involve local stakeholders
- Providing accessible grievance and feedback mechanisms for communities

Responsibility and Oversight:

The implementation of this policy is endorsed by Zorlu Energy's Executive Management and coordinated by the Corporate Communication Department.
